

Author Agreement

I, the author (for a collective article – a corresponding author acting on behalf of the author's team) _____
of the article _____

in case of its acceptance for publication, I relinquish to the editorial board of the "Socio-Cultural Management Journal" the rights to:

- 1) publish this article and distribute its printed version;
- 2) distribute the electronic version of the article by any electronic means (placement on the official website of the journal, in electronic databases, repositories, etc.).

At the same time, I reserve the right without the editors' consent:

- 1) use the article materials for educational purposes;
- 2) use the article materials to write own dissertations/thesis;
- 3) use the article materials for the preparation of abstracts, conference reports, as well as oral presentations;
- 4) place electronic copies of the article (including the final electronic version downloaded from the official journal website) at:
 - personal web resources of the article authors;
 - web resources of institutions where authors work;
 - non-commercial open access web resources.

In all cases, a bibliographic link to the article or a hyperlink to its electronic copy on the official website of the journal is required.

I hereby certify that:

- 1) I have read and agree with the journal policy and the publication terms;
- 2) I have studied the problem of possible conflicts of interest and made sure that they do not exist;
- 3) the article does not contain plagiarism and does not infringe the copyrights of others;
- 4) the article has not been previously published in other publishers, has not been submitted, and will not be submitted for publication in other publications;
- 5) I have checked the accuracy of all names, surnames, citations, bibliographic descriptions and references;
- 6) I undertake:
 - to communicate with the editors and make changes to the article following the comments of editors and reviewers;
 - to be responsible for violations of research behavior;
- 7) I give the right to the journal editorial board to:
 - edit, adapt and modify the article;
 - process and use personal data in processes, related to publishing and communication.
